## Design/Development skills

HTML5, CSS3, JavaScript, Bootstrap 4, Git, GitHub, Web Accessibility, Adobe XD, Sketch, Adobe Photoshop, Adobe Illustrator, Wordpress

## General Skills

Photography, SEO, Google Analytics, Social Media Management, Client Management, Marketing, Ad Creation, Content Creation

## Experience

**Harvest House** - **Web Design / Social Media** [dentonharvesthouse.com](http://dentonharvesthouse.com)  
I began working with the owner and management team to initiate a complete website redesign with a focus on branding and user experience. Once the website was launched I continued to maintain and update the website as well as running the Instagram and helping with social media marketing.

**Styron Tile Service** - **Web Design / Photography** - [styrontileservice.com](http://styrontileservice.com)  
I worked with business owner to create a website that stood out in the DFW Tile installation industry. Created an enjoyable and purposeful user experience to build brand awareness and encourage client leads.

**Second Hand Sports** - **Web Design / Photography** - [shsdfw.com](http://shsdfw.com)  
Complete website redesign with a focus on updating to a more modern and mobile friendly layout.

**JBAW Productions** - [imjbaw.com](http://imjbaw.com)  
Complete website redesign with a focus on branding.

**Styron & Co.** - **Owner & Photographer** - [styronandco.com](http://styronandco.com)  
Web design, management, and content creation. Work in assistance with Account Manager to run campaigns and create content for social media marketing. Maintain client communication and manage accounts, SEO, editing, google analytics, etc.

**American Addiction Centers** - **Photographer** - Jan 2017 - June 2018  
Worked independently by scheduling photoshoots with the creative use of props with general direction from the Creative Director.

**AutoCartel** - **Car Photographer** - Jan 2016 - April 2017
